NEW YORK, NEW YORK

The Cubs will begin the 2003 campaign March 31 when they take on the New York Mets at Shea Stadium. This will be the third time the Cubs open a season in March – and the second time that has occurred against the Mets (March 29-March 30, 2000, in Tokyo). The only previous time that the Cubs began a season at Shea Stadium was on April 10, 1980 – when the Mets and Craig Swan defeated the Cubs and Rick Reuschel 5-2.

Meanwhile, the Cubs' 2003 Wrigley Field schedule is highlighted by the New York Yankees' first appearance at The Friendly Confines since the 1938 World Series. The Yankees will travel to Wrigley Field for a three-game interleague weekend set June 6-June 8.

During the 1938 Fall Classic, the Yankees – in the midst of four consecutive World Series titles – outscored the Cubs 22-9 in sweeping the 4-game set. Lou Gehrig, Joe DiMaggio, Bill Dickey, Joe Gordon and Lefty Gomez paced the 1938 New York club, while the Cubs were led by Gabby Hartnett, Stan Hack, Dizzy Dean and Augie Galan.

The Cubs and Yankees also faced each other in the 1932 World Series (also a 4-game Yankees sweep). The Game 3 Wrigley Field affair featured Babe Ruth's supposed "called shot."

Yosh Kawano will be spending his 61st season in a major league clubhouse in 2003, assisting Dana Noeltner in the visiting clubhouse.

Kawano joined the Cubs' organization in 1943 as a Wrigley Field clubhouse attendant. He was named the club's equipment manager in 1953 – and held that position until 1999. He was the home clubhouse manager, emeritus, in 2000.

In 1984, the Cubs' clubhouse was named in Kawano's honor. He was inducted into the Cubs' Walk of Fame in 1996.

HOW TO FIGURE BASEBALL STATISTICS

Earned Run Average — (ERx9)/IP: Earned runs multiplied by 9, then divided by innings pitched (0.1 innings = .333, 0.2 innings = .667).

Batting Average — H/AB: Hits divided by at-bats.

Slugging Percentage — TB/AB: Total number of bases (single = 1 base, double = 2 bases, triple = 3 bases, home run = 4 bases) divided by at-bats.

Fielding Average — (PO+A)/(PO+A+E): Putouts plus assists divided by total chances (putouts plus assists plus errors).

On-Base Percentage — (H+BB+HBP)/(AB+BB+HBP+SF): Hits plus walks plus hit-by-pitch divided by at-bats plus walks plus hit-by-pitch plus sacrifice flies.

Win-Loss Percentage: Number of games won divided by total games played.

Magic Numbers: Compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

The last time the Cubs had three straight complete-game shutouts took place in May 1969. Ken Holtzman started the streak May 11 with an 8-0 victory over San Francisco. Fergie Jenkins then blanked San Diego 2-0 on May 12. Dick Selma finished the stretch with a 3-hitter in a 19-0 victory over the Padres May 13.

IF YOU START ME UP

The Cubs utilized as few as seven starters in a campaign as recently as 1995, when — during the strike-shortened season — the only pitchers to start for the club were Jim Bullinger, Frank Castillo, Kevin Foster, Mike Morgan, Jaime Navarro, Steve Trachsel and Anthony Young.

Since 1900, the club mark for fewest starters in a season is six — set in 1901. During the 19th century, the team utilized as few as two starters in four seasons, most recently during a 98-game 1883 campaign (Larry Corcoran 53 starts, Fred Goldsmith 45 starts).

MAJOR LEAGUE WAIVER RULES

There are four types of waiver requests – Major League Waivers, Special Waivers, Outright Waivers and Unconditional Release Waivers.

Major League Waivers are necessary for any player assignment between major league clubs made from August 1 until the day after the close of the regular season. Waivers are not needed for major league assignments during the rest of the year. The trading deadline in which waivers are not needed is July 31.

Special Waivers are irrevocable. They are required for a major league club to outright a player to a minor league club from September 1 until the 30th day of the following season.

Outright Waivers are irrevocable. They are required for a major league club to outright a player to a minor league club from the 31st day of the regular season until August 31.

Unconditional Release Waivers can be secured at any point during the year.

ONCE AROUND THE ROTATION

CAREER REVIEW

STAT BREAKDOWNS

Steve, who had left shoulder surgery in August 2001, returned to the mound in 2002 — and advanced to the major league level ... combined to pitch in 25 games (24 starts) for West Tenn (AA), Iowa (AAA) and the Cubs.

- © was selected by the Cubs in the 4th round of the 1999 draft out of the University of Southern California ... the southpaw was added to the Cubs' 40-man major league roster in November 2001 after earning league all-star honors during each of his previous two seasons (Florida State League 2000, Southern League 2001).
- © in 74 career minor league games (73 starts), he has posted a 3.78 ERA.
- © graduated from Temecula (CA) Valley High School in 1996, where he earned all-league and all-county honors.
- © received an associate's degree in general education from Cypress (CA) College in 1998.
- © pitched for the University of Southern California in 1999.

Steve saw his first major league action after making stops at West Tenn (AA) and Iowa (AAA) ... with the Cubs, he went 1-3 with a 9.35 ERA in 8 games (7 starts).

© opened the campaign at West Tenn, where he went 4-4 with a 3.58 ERA in 11 starts ... in 73.0 innings of work, he struck out 74 batters while issuing only 18 walks.

♦ worked at least 6.0 innings in 9 of his 11 starts ... allowed 4 or fewer hits in 5 starts and 2 or fewer runs in 6 starts.

© began the year on the disabled list rehabilitating his left shoulder from August 2001 surgery ... was reinstated to the active list May 11 and made his season debut that night at Huntsville — earning the win in a 6-1 contest.

© worked a season-high 8.2 innings in a 13-3 victory over Birmingham June 30.

© gave up 9 runs in 5.1 innings in an 11-2 loss to Mobile June 20 ... in his other 10 Double-A starts, his ERA was 2.66 (20 ER/67.2 IP).

© made 6 starts for Iowa during two stints with the Triple-A club, going 3-2 with a 5.81 ERA.

♦ was originally promoted to Triple-A July 9 ... returned to Iowa August 25-September 1.

© joined the Cubs August 6 after being recalled from Iowa and made his big league debut that night against the Giants at Pacific Bell Park ... was not involved in the decision in an 11-10 loss.

♦ worked 3.0 innings and allowed 6 hits, 7 runs and 1 walk while striking out 2 batters ... surrendered the 599th homer of Barry Bonds' career.

© in his next start August 11 at Colorado, he earned his first M.L. victory in a 12-9 contest ... worked 6.0 innings and allowed 4 hits and 3 runs (all in the 2nd inning).

♦ since Jamie Moyer recorded 9 wins for the Cubs in 1988, only one other left-handed starting pitcher produced in the club's farm system — Scott Downs (4 wins in 2000) — had recorded a victory for the team.

♦ also recorded his first big league hit in the contest — a bunt single off Justin Speier.

© started 4 times from August 6-August 24, then returned to the majors September 2 ... made 3 additional starts.

© made his first big league relief appearance September 27 vs. Pittsburgh, working 2.0 scoreless innings.

SAMMY SOSA TRIVIA

Sammy Sosa won his second National League homer title in 2002, hitting 49 homers to Barry Bonds' 46. Sosa won his first league homer title in 2000 — when he went deep 50 times. However, he did not win homer crowns in 1998, 1999 or 2001 — when he recorded the 3rd-, 5th- and 6th-highest single-season home run figures in major league history (66 in 1998; 64 in 2001; 63 in 1999).

Sammy Sosa has homered 45 times in games started by Kerry Wood.

Sammy Sosa went from 200 career homers to 400 in 3 years, 292 days — the fastest journey from 200 to 400 ever. The only previous man to hit his 400th homer as a Cub, Ernie Banks, took more than 6 years to accelerate from 200 to 400.

FACTS AND INFORMATION 2002 REVIEW

Sammy won his second National League homer crown in three years, hitting 49 roundtrippers to increase his career total to 499 ... the only other Cubs to sit atop the N.L. leaderboard more than once are Frank Schulte (1910, 1911), Hack Wilson (1926, 1927, 1928, 1930), Bill Nicholson (1943, 1944) and Ernie Banks (1958, 1960).

© was just the third player in N.L. history to put together five consecutive 40-homer campaigns — joining Hall of Famers Ralph Kiner (1947-1951) and Duke Snider (1953-1957) ... in major league history, only Babe Ruth (seven seasons from 1926-1932) has a longer streak.

© had 108 RBI and a league-best 122 runs scored to go with his .288 batting average ... became just the third player in N.L. history to record eight straight 100-RBI seasons, joining Hall of Famers Mel Ott (1929-1936) and Willie Mays (1959-1966).

- ◆ joined Texas' Rafael Palmeiro in putting together an eighth consecutive 35-homer/100-RBI campaign ... the only player to have a longer streak is Hall of Famer Jimmie Foxx (9 years, 1932-1940).
- ◆ finished 1st in the N.L. in runs scored for the second straight year and for the third time during his career ... since the 1880s — when George Gore and King Kelly accomplished the feat — the only other Cub to lead the N.L. in runs scored in back-to-back seasons was Ryne Sandberg (104 in 1989 and 116 in 1990).

© made his 13th career Opening Day start, his 11th as a Cub and his club record-setting 10th in a row in rightfield.

© had a pair of double-digit homer months, going deep 11 times both in May and August.

© had a 12-game hitting streak August 6-August 17 — the 10th double-digit hitting streak of his career ... homered 10 times over the stretch, batting .468 (22-47).

© had one of the top 2-game stretches in big league history August 10-August 11 at Colorado, going 6-for-9 with 4 homers and 14 RBI ... the 14 RBI set a N.L. 2-game record.

- ◆ on August 10, he hit 3-run homers in the 3rd, 4th and 5th innings to give him 9 RBI for the game — tying the club record set by Heinie Zimmerman on June 11, 1911, vs. Boston ... it was the sixth 3-homer game of his career, tying the big league mark set by Johnny Mize ... his blasts in three consecutive innings also tied a big league record (accomplished four other times, most recently by Colorado's Andres Galarraga on June 25, 1995) ... was just the second player in big league history to hit a trio of 3-run homers in a game (also Cincinnati's Walker Cooper on July 6, 1949).
- ◆ followed up that performance by driving in 5 runs in the August 11 affair, including a grand slam off Justin Speier — the seventh of his big league career.
- ◆ the 2 games were part of a week in which he went 14-for-25 (.560) with 6 homers and 19 RBI ... for his efforts, he won N.L. Player of the Week honors for the 10th time during his career.

HOME RUN DERBY

In 1999, Mark McGwire and Sammy Sosa finished as the top two homer hitters in the majors for the second straight year. This was only the fifth time that players finished 1-2 in the majors in homers in back-to-back campaigns. The other duos:

Jimmie Foxx (Philadelphia Athletics) and Babe Ruth (New York Yankees) in 1932-1933
 Hank Greenberg (Detroit Tigers) and Jimmie Foxx (Boston Red Sox) in 1938-1939
 Johnny Mize (New York Giants) and Ralph Kiner (Pittsburgh Pirates) in 1947-1948
 Mike Schmidt (Philadelphia Phillies) and Dave Kingman (New York Mets) in 1975-1976

SAVE RULE

Rule 10.20 tells the official scorer to credit a pitcher with a save when:

(1) He is the finishing pitcher in a game won by his club, and; (2) he is not the winning pitcher, and; (3) he qualifies under the following conditions:

(a) He enters the game with a lead of no more than 3 runs and pitches for at least 1.0 inning, or; (b) he enters the game with the potential tying run either on base, at bat or on deck, or; (c) he pitches effectively for at least 3.0 innings.

When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist because of added runs scored by his own team, he is not charged with a save opportunity.

IF YOU BUILD IT, THEY WILL COME

During the 2003 season, the Cubs are scheduled to make their first trips to Cincinnati's new Great American Ball Park, Toronto's SkyDome, Baltimore's Oriole Park at Camden Yards and Hi Bithorn Stadium in San Juan, Puerto Rico.

Entering the campaign, the Cubs had played regular-season contests in 102 different venues – going 55-46-1 in their "first appearances" at those facilities.

DEFEATS SNATCHED FROM THE JAWS OF VICTORY

On June 28, 2002, the Cubs squandered an 8-0 lead in losing to the White Sox 13-9 at Comiskey Park. It was the first time the Cubs led a game by at least 8 runs and failed to win that contest since August 11, 1976 – when they led Cincinnati 9-0 but eventually lost 13-10.

Exactly one month later, on July 28, 2002, the Cubs had a 5-run lead entering the bottom of the 9th inning – but lost the contest 10-9. It marked the first time the Cubs had blown a final-inning lead of at least 5 runs in more than 11 years (April 21, 1991, at Pittsburgh).

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up.

A GRAND TIME WAS HAD BY ALL

With 2 grand slams in 2002, the Cubs increased their all-time number of bases-loaded roundtrippers to 261.

The Cubs record for grand slams in a season is 9, recorded in 1929 by Hack Wilson (2), Rogers Hornsby (2), Charlie Grimm (2), Riggs Stephenson, Norman McMillan and Kiki Cuyler. McMillan's roundtripper was of the inside-the-park variety.

The club's first grand slam was hit by pitcher Larry Corcoran on June 20, 1882, off Worcester's Lee Richmond at Chicago's Lakefront Park.

The only Cubs to hit more than 2 grand slams in one season are Ernie Banks (5 in 1955), Wildfire Schulte (4 in 1911) and Sammy Sosa (3 in 1998). Sosa hit grand slams in back-to-back games July 27-July 28 of that season, becoming the first Cub to accomplish that feat.

On June 3, 1987, the Cubs and Houston Astros combined to hit 3 grand slams — tying a major league single-game record. Two Cubs hit bases-loaded roundtrippers — Brian Dayett (off Bob Knepper) and Keith Moreland (off Julio Salano). Houston's Billy Hatcher hit a grand slam in the contest off Rick Sutcliffe.

On August 16, 1890, Chicago batters Tom Burns and Malachi Kittridge both connected for 5th-inning grand slams off Pittsburgh's Bill Phillips — for the franchise's only multiple grand slam inning.

PITCHING IN

The Cubs set a team mark in 1999 by utilizing 25 different pitchers.

The club mark for most left-handed pitchers to see mound action in a season is 10 — a figure reached in both 1999 and 2000. Prior to the 1999 campaign, the team record of 8 had stood since 1966.

The last Cubs position player to take the mound for the Cubs was third baseman Gary Gaetti, who saw relief action July 3, 1999, at Philadelphia.

The last Cubs pitcher to pick up a win on his birthday was Greg Hibbard — on September 13, 1993, at San Francisco. Hibbard worked 6.0 innings on his 29th birthday and picked up the victory in a 6-5 decision.

The last Cubs rookie to hurl back-to-back complete games was Dennis Lamp in 1978 (July 23 at San Diego, July 28 at San Francisco).

The Cubs haven't had a rookie with more than 1 complete game in a season since Frank Castillo tossed 4 in 1991.

The best career start record-wise for a Cubs pitcher is 8-0, recorded by King Cole in 1910. The worst start belongs to Jim Brewer, who began his Cubs career 0-8 in 1961.

On July 17, 1918, Lefty Tyler pitched a Cubs-record 21 innings in a route-going 2-1 win against Philadelphia. He gave up 13 hits and 1 walk while striking out 8.

Three years earlier, on June 17, 1915, reliever George "Zip" Zabel was called into a game against Brooklyn with two out in the top of the first inning at West Side Grounds. He had to pitch 18.1 innings before earning the win, as the Cubs won 4-3 in the 19th inning.

The Cubs' top single-season pitchers' batting marks for:

AVG: .350 ...Percy Jones (1927)
H: 30 ...Lon Warneke (1930)
HR: 6 ...Fergie Jenkins (1971)
RBI: 20 ...Fergie Jenkins (1971)

THE FRIENDLY CONFINES

The Cubs won 16 consecutive games Jon Lieber started at Wrigley Field from May 24, 2001-May 6, 2002. He had a personal 13-0 mark over the 16-start span.

The stretch tied for the longest winning span for a pitcher at Wrigley Field since the ballpark was built in 1914. The club previously won 16 straight Lon Warneke starts May 27, 1932-April 18, 1933 (Warneke went 13-0 at home over the span).

The ballpark record for consecutive victories by an individual is 15, set by Bill Lee from September 7, 1935-August 26, 1936 (17 starts).

Entering this campaign, the Cubs have played 5,883 games since they were no-hit by Los Angeles' Sandy Koufax in 1965 (a span of just over 37 years). TRIPLE PLAYS: A PITCHER'S TRUE BEST FRIEND

The Cubs have been involved in 76 triple plays since 1876, turning 40 and hitting into 36. The Cubs have hit into the last three triple plays they've been involved in (most recently May 14, 2000, at Montreal).

On May 10, 1997, the Cubs turned their last triple play. That afternoon at San Francisco's Candlestick Park, the Giants' Stan Javier faced Amaury Telemaco in the 5th inning with Kirk Rueter on second base and Darryl Hamilton on first. Javier hit a fly ball to short centerfield, with second base umpire Bob Davidson invoking the infield fly rule. The ball dropped in, and both baserunners were thrown out attempting to advance (centerfielder Brian McRae to third baseman Jose Hernandez to second baseman Ryne Sandberg).

The last triple play turned at Wrigley Field was by San Francisco on May 8, 1998 (first baseman Charlie Hayes to shortstop Rich Aurilia). The last time the Cubs turned a triple play at The Friendly Confines occurred June 2, 1983, vs. Pittsburgh – when Pirates pitcher Rick Rhoden hit into an around-the-horn triple killing (third baseman Ron Cey to second baseman Ryne Sandberg to first baseman Bill Buckner).

The last time the Cubs turned a triple play and had one turned against them in the same year was in 1972. They completed one at Pittsburgh on July 2 and hit into one June 4 at San Diego.

In 1965, the Cubs turned three triple plays – a club single-season record. Pitcher Bill Faul was on the mound for all three, with shortstop Don Kessinger being the only player to participate in all three.

On May 30, 1927, shortstop Jimmy Cooney turned the only unassisted triple play in Cubs history. In the fourth inning of the Cubs' game in Pittsburgh, Cooney caught Paul Waner's line drive, stepped on second base to retire Lloyd Waner, then tagged Clyde Barnhart off first.

HISTORICAL INFORMATION

HIGHLIGHTS IN CUBS HISTORY

1876: The first game in the history of the Chicago National League franchise took place April 25, as Albert Spalding pitched the first N.L. shutout in the Chicago White Stockings' 4-0 win at Louisville ... Spalding also had the first hit in franchise history, while centerfielder Paul Hines scored the first run on a throwing error in the 2nd inning.

© the first home run in N.L. history was hit by the White Stockings' Ross Barnes on May 2 in a 15-9 victory in Cincinnati.

© the creation of the N.L. was credited largely to William A. Hulbert, who held the dual role of league president and Chicago president until 1882 ... with the assistance of manager Albert Spalding, Hulbert drafted the N.L. constitution and by-laws in 1875.

© of the eight original charter members of the National League, only the Cubs have operated continuously in the same city.

1906: The Chicago club went 116-36 in setting major league records for wins in a season and winning percentage (.763).

1907: "Cubs" was officially adopted as the nickname of the team ... the Cubs then went on to win their first world championship in a 4-game sweep of Detroit.

1908: The Cubs were World Series champions for the second straight year, defeating Detroit 4 games to 1.

1916: The Cubs moved into Weeghman Park (now known as Wrigley Field).

1921: William Wrigley Jr. became the Cubs' majority owner.

© Wrigley's involvement with the team began in 1916, when a 10-man syndicate led by Charles Weeghman purchased the club from Charles Taft ... in 1919, Wrigley purchased Weeghman's shares to have controlling interest.

© after Wrigley's death in 1932, his interest passed to his son, Philip K. Wrigley ... upon Philip's death in 1977, principal interest in the ballclub was left to his son, William Wrigley.

© the sale of the club to Tribune Company in 1981 ended the longest continuous operation of a franchise by the same family in one city.

1930: Hack Wilson established a M.L. record by driving in 191 runs while hitting 56 home runs — a club/N.L. record that lasted until 1998.

© the largest crowd to see a baseball game at Wrigley Field (51,556) took place June 27 vs. Brooklyn ... of that number, 30,476 were Ladies' Day guests and 1,332 were passholders.

A NORTH SIDE ESTABLISHMENT SINCE 1876

1935: The Cubs won 21 straight September games in capturing the N.L. pennant.

1945: The Cubs went to their 10th World Series, falling to Detroit in 7 games.

1958: Ernie Banks became the first member of a team with a losing record to win the MVP Award ... also was named the N.L. MVP in 1959, becoming the first N.L. player to win the award in consecutive seasons.

1960: Don Cardwell threw a no-hitter against St. Louis in his Cubs debut May 15 ... became the first pitcher in baseball history to hurl a no-hitter in his first game for a club.

1970: Billy Williams became the first player in N.L. history to appear in 1,000 consecutive games, reaching that mark April 30 ... his streak extended to 1,117 games before ending September 3.

1978: Wrigley Field attracted its largest Opening Day crowd — 45,777 — on April 14 vs. Pittsburgh.

1982: On May 25 at San Diego, Fergie Jenkins became the seventh pitcher in baseball history to record 3,000 strikeouts.

© on August 22, Ernie Banks became the first Cub to have his uniform number (14) retired.

1984: The Cubs clinched their first N.L. Eastern Division title September 24 in Pittsburgh (4-1), marking the first time since 1945 that the club advanced into the postseason ... the Cubs went 96-65 under N.L. Manager of the Year Jim Frey.

© the Cubs fell to San Diego in the NLCS 3 games to 2.

1987: Andre Dawson became the first player from a sixth-place team to win the N.L.'s MVP Award, hitting 49 homers and driving in 137 runs.

© on August 13, Hall of Famer Billy Williams had his No. 26 retired.

1988: The first Wrigley Field night game took place August 8 against Philadelphia ... the game was rained out after 31/2 innings with the Cubs leading 3-1.

© the first official night contest took place August 9 vs. New York, with the Cubs winning 6-4 ... the first pitch was thrown by Mike Bielecki at 7:05 p.m. — a called strike to Lenny Dykstra.

1989: The Cubs won their second N.L. Eastern Division title when they defeated Montreal 3-2 at Olympic Stadium September 26 ... the Cubs compiled a 93-69 record under N.L. Manager of the Year Don Zimmer before falling in the NLCS to San Francisco 4 games to 1.

© for only the fifth time, teammates finished as the top two votegetters in the Jackie Robinson N.L. Rookie of the Year balloting ... Jerome Walton, who had a club-record 30-game hitting streak during the season, won the award, while Dwight Smith finished 2nd in the voting.

1990: Ryne Sandberg hit a league-high 40 home runs, the 3rd-highest single-season total for a second baseman behind the 42 hit by St. Louis' Rogers Hornsby in 1922 and Atlanta's Davey Johnson in 1973.

© Sandberg also set a M.L. record by playing errorless ball in 123 straight games at second base June 21, 1989-May 17, 1990.

1993: Sammy Sosa became the first player in Cubs history to record a 30-homer/30-steal campaign (33 homers, 36 steals).

1995: The Cubs won their 9,000th game May 21 at Los Angeles, defeating the Dodgers 2-1 in 13 innings ... the Cubs have won more games than any other one-city professional franchise.

© Sammy Sosa hit the 10,000th homer in Cubs history August 14 in Los Angeles (off Tom Candiotti).

1998: The Cubs went to postseason play as the N.L.'s Wild Card club after defeating San Francisco 5-3 in a 1-game tie-breaker ... the Cubs were swept by Atlanta during the Division Series.

© Sammy Sosa, who battled St. Louis' Mark McGwire for the major league homer record, earned N.L. Most Valuable Player honors ... Sosa finished the campaign with 66 homers — 4 behind McGwire — while leading the majors with 158 RBI and 134 runs scored.

© Kerry Wood was named the league's Rookie of the Year after going 13-6 in 26 starts with 233 strikeouts ... on May 6 vs. Houston, he tied the M.L. single-game mark by fanning 20 batters while allowing just 1 hit in a complete-game 2-0 win.

2001: Sammy Sosa became the first player in M.L. history to reach the 60-homers mark in three different campaigns ... he also became the first player to have a trio of 3-homer games in one season.

© Sosa had a club-record 425 total bases for his second career 400-plus campaign (416 in 1998).

© on May 24-May 25, Jon Lieber and Kerry Wood hurled back-to-back complete-game 1-hit shutouts.

ERNIE BANKS: MR. CUB

The 2003 season will mark the 50th anniversary of Ernie Banks' major league debut. For 19 seasons, he delighted Wrigley Field fans with his long home runs and cheerful disposition. He hit a club-record 512 home runs, surpassing the 40-roundtrippers mark five times. He hit 277 of his homers as a shortstop — a National League record. He also holds the N.L. single-season mark for homers by a shortstop (47 in 1958).

Banks, whose No. 14 flies from the leftfield foul pole at Wrigley Field, was elected to the Baseball Hall of Fame in 1977. He was voted to Major League Baseball's all-century team in 1999.

Born on January 31, 1931, in Dallas, TX, Banks played for the Cubs from 1953-1971 and served as a coach from 1967-1973. He made his major league debut September 17, 1953.

THE NUMBERS GAME

On June 30, 1932 – one week after National League team presidents approved players wearing numbers – the Cubs added numbers to their uniforms. Like most teams, the Cubs' numbering system followed the team's batting order, with leadoff hitter Woody English wearing No. 1.

No number has been worn every season by a Cub. Jersey No. 22 had the longest streak – 57 years – as the number was utilized every season from 1932-1988 by, among others, Dizzy Dean, Paul Popovich and Bill Buckner.

CUBS ALL-STARS

KEY NOW, YOU'RE AN ALL-STAR

Three All-Star Games have been played at Wrigley Field — in 1947, in 1962 and in 1990. The American League won all 3 games by scores of 2-1, 9-4 and 2-0.

Ernie Banks was selected to the National League All-Star team 14 times, the highest total for a Cubs player. Ryne Sandberg ranks 2nd in club history with 10 All-Star appearances (9 starts).

The only Cub to earn Most Valuable Player honors was Bill Madlock, who had a game-winning 2-run bases-loaded 9th-inning single off the White Sox's Rich Gossage in the 1975 contest. Madlock shared MVP honors with the New York Mets' Jon Matlack.

Six Cubs batters have hit All-Star home runs, most recently Andre Dawson in the 1991 contest off Boston's Roger Clemens. The others: Augie Galan (1936 off Detroit's Schoolboy Rowe), Hank Sauer (1952 off Cleveland's Bob Lemon), Ernie Banks (1960 off Boston's Bill Monbouquette), George Altman (1961 off Boston's Mike Faries) and Billy Williams (1964 off Kansas City's John Wyatt).

Cubs pitchers have earned 5 All-Star wins — Bob Rush (1952), Larry Jackson (1963), Bruce Sutter (1978 and 1979) and Lee Smith (1987).

Cubs relievers have picked up 4 saves (Lon Warneke in 1936, Don Elston in 1959, Sutter in 1980 and Randy Myers in 1995). Cubs pitchers have suffered 4 All-Star losses — Bill Lee (1939), Claude Passeau (1941 and 1946) and Johnny Schmitz (1948).

Passeau is the only Cubs pitcher to start in the All-Star Game, taking the loss in the 1946 Midsummer Classic at Boston's Fenway Park.

The youngest Cubs player selected to the N.L. All-Star team was Greg Maddux, who was 22 years old at the 1988 Midsummer Classic in Cincinnati. As he did not participate in that contest, the nod as the youngest Cub to play in the All-Star Game goes to 23-year-old Ron Santo in 1963. The youngest Cubs pitcher to appear in an All-Star Game was 23-year-old Fergie Jenkins (1967).

The oldest Cub to play in an All-Star Game was 38-year-old Ernie Banks, who made his 13th and final All-Star appearance in the 1969 Classic in Washington, DC.

POSTSEASON HISTORY

1906 WORLD SERIES: WHITE SOX DEFEATED CUBS 4-2

The 1906 Cubs set a modern record by winning 116 games against only 36 losses ... facing the "Hitless Wonders" White Sox in the first one-city World Series, the Cubs were heavily favored to win their first Fall Classic.

Ed Reulbach evened the Series with a 1-hitter the following day ... the clubs then traded shutouts, leaving the Series tied after four games.

© the Cubs were held to a .196 batting average ... the White Sox didn't fare much better, hitting only .198.

CONNECT THE DOTS

The Cubs' entire National League history can be spanned by the careers of as few as nine players.

Hall of Famer Cap Anson played for the club from 1876-1897. Frank Chance joined the team in 1898 and was with the Cubs until 1912. He was in turn followed by Hippo Vaughn (1913-1921), Gabby Hartnett (1922-1940), Phil Cavarretta (1934-1953) and Ernie Banks (1953-1971). Rick Reuschel's first tour of duty with the Cubs took place from 1972-1981, then Ryne Sandberg played for the team from 1982 until his first retirement in 1994.

Sammy Sosa (1992) made his Cubs debut prior to Sandberg's first retirement.

BEAR CUBS

The highest number of players to make their major league debuts in one season for the Cubs was 20 - in 1902. The high number of youngsters that season was one of the primary reasons why the club was nicknamed the "Cubs." With the raid of National League players by American League teams, many N.L. clubs stocked their spring training rosters with young, unproven players. The *Chicago Daily News*, noting all the youngsters in the Chicago camp, used the nickname "Cubs" for the first time in its March 27, 1902, edition.

GETTING OFFENSIVE

The last time the Cubs had 3 consecutive double-digit games was July 5-July 7, 2001, when they earned victories by scores of 13-4 at New York and 15-9 and 10-6 at Detroit.

In 1930, the Cubs established a team record by reaching the 10-runs plateau in 5 straight games June 1-June 6. During that stretch - the only time in club history that the team had a double-digit runs streak surpassing 3 games - the Cubs defeated Pittsburgh 16-4 on June 1 at Wrigley Field before going on a road trip. They swept the Boston Braves over a 3-game span June 3-June 5 by scores of 15-2, 18-10 and 10-7, then went to Brooklyn and beat the Dodgers 13-0 on June 6.

CONSECUTIVE-GAME STREAKS

A consecutive-game playing streak shall be extended if a player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance does not extend a streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

A consecutive-game hitting streak shall not be terminated if all a player's plate appearances result in a base on balls, hit batsman, defensive interference or sacrifice bunt. The streak shall end if the player has a sacrifice fly and no hit.

HOT AND COLD

The last time the Wrigley Field gametime temperature reached the triple-digit mark was on July 13, 1995, when the first-pitch Fahrenheit for the Cubs' 7:05 p.m. Saturday night affair against Cincinnati was 103 degrees.

The lowest Wrigley Field gametime temperature in recent years was a 33-degree first pitch April 8, 1997, vs. Florida — the first home game of that season. The wind chill at the start of the game was 1, as the wind was gusting from the northwest at 22-31 MPH.

AVOIDING THE BROOM

During their 127 campaigns entering the 2003 campaign, the Cubs have never gone winless in a season series against a National League opponent (the Cubs did go 0-2 against both Cleveland and Detroit in 1998 during interleague play).

The Cubs have recorded just 1 win in a National League season series 10 times, most recently by going 1-5 against New York in 2002.

DIGGING OUT OF A HOLE

No Cubs team has ever overcome being more than 10 games below the .500 mark to finish a campaign at .500 or above. The biggest turnaround was 10 games, accomplished in 1968.

The 1968 club was 10 games under .500 twice, most recently on July 5 (35-45). That team finished the year at 84-78.

REVOLVING DOOR

A club-record 51 players were utilized by the Cubs during the 2000 campaign (27 position players, 24 pitchers). In 1999, the Cubs set a team mark by sending 25 different pitchers to the mound.

Besides pitchers, the Cubs single-year marks for players used at a position: 8 catchers (1916, 1960), 9 first basemen (1976), 9 second basemen (1893), 9 shortstops (1916), 10 third basemen (1902, 1957), 12 leftfielders (five times, most recently 2000), 10 centerfielders (1904) and 16 rightfielders (1902).

ON THE ROAD AGAIN

The Cubs have not had a road winning streak of longer than 5 games since the 1991 season, when the club won 6 straight away contests over parts of three road trips (May 22-May 23, May 31-June 2, June 14).

The club's best start to a road trip took place in 1918, when the Cubs began an 18-game excursion with an 8-game winning streak June 1-June 11 at Boston (4 wins), Philadelphia (3 wins) and New York (1 win). The Cubs went 12-6 for the trip.

The last time the Cubs had a perfect multiple-city road trip took place in 1945. On September 27 that year, the club swept a doubleheader against Cincinnati at Crosley Field by scores of 3-1 and 7-4. Then, on September 29-September 30, the club won 3 games at Pittsburgh's Forbes Field (4-3 and 5-0 in a twinbill, followed by a 5-3 triumph).

The last time the Cubs swept consecutive road series took place in 1998, as the club was victorious in back-to-back 2-game sets at Arizona's Bank One Ballpark (May 11-May 12) and Colorado's Coors Field (May 13-May 14). The last time the club swept consecutive road series of at least 3 games each occurred in 1971 (June 25-June 27 at St. Louis' Busch Stadium, July 6-July 8 at Los Angeles' Dodger Stadium).

SPRING TRAINING INFORMATION

MESA AND HOHOKAM PARK

The Cubs will spend their 25th consecutive spring training in Mesa in 2003 and their seventh at the new HoHoKam Park/Fitch Park facilities ... in 2002, the club went 12-21 during the Cactus League campaign.

© HoHoKam Park is operated by the city of Mesa with assistance from the HoHoKams, a local service organization.

© Mesa is the second-largest city in the Phoenix metropolitan area and the third-largest city in Arizona ... Mesa is located southeast of Phoenix and Scottsdale.

- ◆ with a population of over 432,000, Mesa ranks as one of the fastest growing cities in the United States (among those with populations of at least 200,000) and the 43rd-largest city in the country — directly between Oakland and Tulsa.

- ◆ Mesa was founded in January 1878 and was incorporated in July 1883 ... the area of the city is 129 square miles.

© the telephone number for the Mesa Convention and Visitors Bureau is 1-800-283-MESA.

The Cubs began play at the new HoHoKam Park in 1997.

© new HoHoKam Park has a seating capacity of 12,575 ... there are 8,000 fixed seats and 2,000 bleacher seats to go with an outfield lawn seating capacity of 2,575.

© the stadium dimensions are:

340 feet down the leftfield line
350 feet down the rightfield line
410 feet to straight-away centerfield
390 feet to the power alleys

© the batter's eye in centerfield is 80 feet wide by 40 feet high ... the outfield fence is 15 feet, 4 inches high.

© new HoHoKam Park also has a practice field, a practice infield, four batting tunnels, bi-level bullpens in right-centerfield and a 13,955-square foot clubhouse ... the facility, which includes paved and grass parking for 3,000 cars, was built on a 48.45-acre site.

In 1999, the Cubs established a HoHoKam Park/Cactus League single-season attendance record ... the club drew 171,681 fans for its 15 home dates, an average of 11,445 per date.

Mesa is the 14th different training site used by the Cubs since 1900 and the fifth since 1921 ... in some instances, the team's exhibition games were not played at the training site.

WRIGLEY FIELD INFORMATION

HISTORY OF WRIGLEY FIELD

Wrigley Field, which was built in 1914, is playing host to major league baseball for the 90th season in 2003 – and to the Cubs for the 88th year.

Wrigley Field is the second-oldest ballpark in the major leagues behind Boston's Fenway Park (1912).

© The Friendly Confines has been the location of such historic moments as:

- ◆ Babe Ruth's "called shot," when Ruth allegedly pointed to a bleacher location during Game 3 of the 1932 World Series ... Ruth then hit Charlie Root's next pitch for a homer.
- ◆ Gabby Hartnett's famous "Homer in the Gloamin'" September 28, 1938, off Pittsburgh's Mace Brown.
- ◆ the great May 2, 1917, pitching duel between Jim "Hippo" Vaughn and the Reds' Fred Toney ... both Vaughn and Toney threw no-hitters for 9.0 innings before Cincinnati's Jim Thorpe (of Olympic fame) drove in the only run in the 10th inning ... Toney finished with a no-hitter.
- ◆ Ernie Banks' 500th career home run May 12, 1970, vs. Atlanta's Pat Jarvis.
- ◆ Pete Rose's 4,191st career hit, which tied him with Ty Cobb for the most hits in baseball history ... Rose singled off Reggie Patterson September 8, 1985.
- ◆ Sammy Sosa's 60th home runs in 1998, 1999 and 2001.
- ◆ the 1947, 1962 and 1990 All-Star Games.

Originally known as Weeghman Park, Wrigley Field was built on the grounds once occupied by a seminary.

- © Weeghman Park was the home of Chicago's entry in the Federal League and was the property of Charles H. Weeghman ... the club was known as both the Federals and the Whales.
- © the cost of building Weeghman Park, which had a seating capacity of 14,000, was estimated at \$250,000 ... the infield and outfield consisted of more than 4,000 yards of soil and four acres of bluegrass.
- © *the first major league game at the ballpark took place April 23, 1914, with the Federals defeating Kansas City 9-1 ... the first homer in ballpark history was hit by Federals catcher Art Wilson – a 2-run shot in the 2nd inning off Kansas City's Chief Johnson.*
- © when the Federal League folded for financial reasons after the 1915 campaign, Weeghman purchased the Cubs from the Taft family of Cincinnati and moved the club to the two-year-old ballpark at the corner of Clark and Addison streets.
- © *the first National League game at the ballpark was played April 20, 1916, when the Cubs beat the Cincinnati Reds 7-6 in 11 innings ... a bear cub was in attendance at the game.*
- © the park became known as Cubs Park in 1920 after the Wrigley family purchased the team from Weeghman ... it was named Wrigley Field in 1926 in honor of William Wrigley Jr., the club's owner.

The Wrigley Field bleachers and scoreboard were constructed in 1937 when the outfield area was renovated to provide improved and expanded seating ... the original scoreboard remains intact.

- © the score-by-innings and the pitchers' numbers are changed by hand ... the numbers signaling batter, ball, strike and out, along with "H" and "E" to signify hit and error, are eyelets.
- © no batted ball has ever hit the centerfield scoreboard ... two baseballs barely missed – a homer hit onto Sheffield Avenue (right-center) by Bill Nicholson in 1948, and one hit by Roberto Clemente onto Waveland Avenue (left-center) in 1959.
- © one of the traditions of Wrigley Field is the flying of a flag bearing a "W" or an "L" atop the scoreboard after a game's completion ... a white flag with a blue "W" indicates a victory; a blue flag with a white "L" denotes a loss.

The original vines were purchased and planted by Bill Veeck in September 1937 ... Veeck strung bittersweet from the top of the wall to the bottom, then planted the ivy at the base of the wall.

- © the bleacher wall is 11.5 feet high ... the basket attached to the wall was constructed in 1970.
- © *Ernie Banks' uniform number (14) is imprinted on the flag which flies from the leftfield foul pole ... Billy Williams' No. 26 flies from the rightfield foul pole.*

Wrigley Field added lights in 1988.

- © the first night game took place August 8 against Philadelphia, but was rained out after 3^{1/2} innings.
- © the first official night game occurred August 9 vs. New York, when the Cubs defeated the Mets 6-4.
- © *in 2003, Wrigley Field will be celebrating its 16th year of playing host to baseball under the lights.*
 - ◆ the Cubs entered the season having played 243 home night contests (going 128-115).

Wrigley Field has been the site of numerous construction projects since Tribune Company purchased the Cubs in 1981.

- © new office space was created and old offices refurbished in the administrative area behind home plate in 1981-1982, while the ticket office was built directly behind home plate in 1983.
- © during the winter of 1984, a new home clubhouse was completed under the third base stands ... the visitors' clubhouse was renovated in 1990.
- © in 1989, private boxes were constructed on the mezzanine level, formerly occupied by the press box and broadcast booths ... a press box and broadcast booths were constructed in the upper deck directly behind home plate ... other improvements included a food court in the upper deck.
 - ◆ following renovations in 1994 and 1995, there are now 63 private boxes.
- © an elevator was added to the third base concourse in 1996.
